Communication Merit Badge

Requirements Insight

NOTE: This merit badge requires a lot of explanation and discussion in order to complete most requirements. This class is structured to offer explanation and discussion time for Scouts in a small group setting to offer both learning and earning opportunity. **Scouts MUST come to the class with preparation work in order to successfully complete these requirements.** It will be virtually impossible for Scouts who do not have preparation work done to successfully partake in the group discussions or provide acceptable explanation if they do not have prior knowledge of the requirements and answers prior to the class.
